Bi-lingual online conversation duos

CHARTER

This programme of bilingual conversation duos is a partnership between the “**Alliance Grenoble-Oxford**” (AGO) in France. The **Alliance Française d’Oxford (AFO)** is facilitating exchanges between its members and the “Oxford Grenoble Association” (AGO), the association organizing the exchange.

After payment of the administrative fee to the Alliance Française d’Oxford you will receive a list of potential partners with their contact details from the Alliance Grenoble-Oxford from Philippe With from the AGO. It is then up to you to choose a partner and decide with them when your conversations will take place, how often and for how long (for example 1 hour every two weeks: 30 minutes in English and 30 minutes in French.)

AFO undertakes to hand on information only to signed-up members who have explicitly asked to be part of the programme.

To further the friendly relations between the two associations, participants in this exchange programme undertake to respond promptly to requests for bilingual conversation. Participants are required to respect basic standards of decency in their online conversations.

If a participant finds a suitable partner and does not want to receive other invitations, s/he undertakes to indicate to Philippe With from “Alliance Grenoble-Oxford” (AGO) that this is the case so that “no longer available” will appear on the list after her/his name.

If a participant wishes to withdraw from the conversation duos, her/his name will be removed from the lists immediately.
