ABOUT THE ALLIANCE FRANÇAISE D'OXFORD

The Alliance Française d'Oxford is an independent charity founded in 2015 to promote French language and culture in Oxford and the surrounding area. We offer excellent quality French classes for all ages and abilities delivered by fully qualified, native French speaking teachers. In addition, we run an ongoing programme of varied and fun cultural events that are open to all.

We are proud to be a member of the global network of more than 800 Alliance Françaises (all co-ordinated by the *Fondation Alliance Française* in Paris). Although we operate independently, we share a common mission, ethics and values, not to mention a wealth of fantastic teaching resources. We have no political or religious affiliations and we respect cultural diversity. As a UK charity, the Alliance Française d'Oxford has a local trustee board registered with the Charity Commission.

THE SCHOLARSHIP

The Trustees' A-Level Scholarship Award is a prestigious award for current sixth form students of French and is intended to recognise a potential for excellence. It is open to current students at school or sixth form college in Oxford or the surrounding area sitting French A-level exams in Summer 2024. The Scholarship comprises up to five terms of free group tuition to support a candidate's current French A-Level studies. The lessons will run from the beginning of the Spring Term in 2023 until the end of the Summer Term in 2024. The tuition is designed to supplement the A-Level French teaching in a candidate's current school and is not intended to replace school classes. The current value of this Scholarship is approximately £1200.

Successful candidates will be presented with their award by one of the trustees of the Alliance Française d'Oxford. Award recipients will be invited to participate in publicity about their award, including having their portrait taken by a photographer for Alliance Française d'Oxford and for this to feature in the Alliance Française d'Oxford newsletter and website, and in the local press.
